Through the Portals

We Salute

ZELMA ROTHROCK

With highest respect and deepest appreciation, we, the student body, salute Mrs. Zelma K. Rothrock. For her sterling character, her high ideals, her keen appreciation of beauty, her sympathetic understanding, and her devotion to her students, we pay our highest tribute. Long will she linger in our memories to inspire us to higher things in life.

HUBERT THOMASSON

In memory of our beloved Coordinator and Diversified Occupation teacher, Hubert L. Thomasson, we dedicate these thoughts. Although he did not instruct a large number of pupils, he was widely known and admired by the entire school. He went about his work, both in and out of the classroom, in a cheerful and kindly manner. Mr. Thomasson was not in good health for the last few years of his teaching career, yet no one knew the actual pains and sufferings which he bore.

The Board of Education is composed of six progressive, broad-minded, public-spirited men who are willing to devote much time and thought to the big business of running a public school system.

We sincerely wish to express our appreciation for the many services that the Board has given to the students and the public.

MR. STEPHEN BLACKHURST

Ten

The Captain

St. Charles High School would not be the same without Mr. Blackhurst, Superintendent of Schools since 1926.

We, the student body, express our deepest gratitude to Mr. Blackhurst, who has so willingly given 24 years of his life to make and keep St. Charles High School the accredited school that it is. His ready smile and eagerness to help the students in any way possible have endeared him to S. C. H. S.

*Blad you have been
with us. Best wishes
for your future.
Stephen Blackhurst*

First Mate

Although this is only the second year that Mr. Murphy has served as principal of St. Charles High School, he has shown himself a very capable person with many new ideas.

He has endeavored to raise the standards of the school; therefore we, the Seniors, heartily thank him for what he has done for the school and for us.

CHARLEMO

One of the important jobs of the Senior Class is the publication of the yearbook. A staff of twelve members, under the leadership of Mrs. Werges, worked hard during the year to make the book an accurate account of the school activities.

The staff members of 1950 hope you will enjoy and cherish this "Charlemo."

ART

In Art a student learns about many types of crafts as well as pastel, water color, and oil work. Mr. Dawkins has introduced many interesting projects such as making articles made of paper mache, leather, and metal. Because the class is creative, it is greatly enjoyed by the students.

ENGLISH

The English Department is an essential part of the school's academic schedule. Mrs. Schafer emphasizes the fundamentals of grammar in her English II class and polishes off the rough ends in fourth-year Practical English.

FORENSIC

The Forensic work in our high school has been outstanding this year under the direction of Mr. Wilcox. The students learn the arts of debate and public speaking, which are valuable assets later on in life.

The varsity debate team has made a fine showing this year and is anticipating an even more victorious season next year.

HEALTH

Health Class is a newly created course at St. Charles High School. Under the able instruction of Mr. Boto, the class participates in various projects, such as notebooks the first semester and First Aid the second. The practical experience gained from this most interesting work will be very valuable to the students in future years.

BAND

Here in the band room the groundwork is done for the fine performances given by the band during the year. Under the direction of Mr. Vance the band does much to add to our school life by marching on the field at football games. In the spring the band represents the school in the Spring Music Festival.

Carter! I have enjoyed knowing you. I wish you the best of luck next year. Ruby Werges

Our Crew

Classes

The students here at St. Charles High School, like the crew of a ship, must work and live together congenially. In the many classes designed to meet the needs of all the students, the boys and girls learn a cooperative and democratic way of life.

Throughout the year our student crew has achieved quite a reputation in many fields. It is, therefore, with great pride that we present our crew, the four classes of St. Charles High School.

*Remember the fun
we had in American Government.
Lots of luck in the future.

Isle of Interests

Organizations

Looking through the portholes of the S. C. H. S. we see the Isle of Interests. Here we find the many extracurricular activities which the students enjoy. Pep Club, Archery, Language, and Dramatics are among the activities in which the students participate. Let's go ashore to explore the Isle of Interests at St. Charles High School.

Band

The band added spice to our school life by marching at our football games and presenting a Spring Concert. The climax of the football season was the pageant in lights and music presented at the final game. Under the direction of Mr. Vance, the band has worked hard

throughout the year in order that they might represent the school at Columbia, Missouri, on Band Day, and at the St. Louis County Music Festival. Seven members of the band were chosen as members of the All-County Band.

Isle of Fair Play

Athletics

Peering from the crow's nest of our ship, we sight the Isle of Fair Play, another important stop on our search for the pirate treasure. On this isle of athletic adventure, the intense effort exercised by the coach has aided in developing cooperation and teamwork, all of which help to make the S. C. H. S. the staunch ship that it is. Let's climb on the railings and take a good look at our athletes.

Keep up the good work in college.

Varsity Football

*is a Football player who it was fun playing with
I never will forget the Madison game when
you start clicking loads of bucks from.*

On September 1, fifty gridders answered the call of Coach Gene Hiatt for football practice. Of these, ten were lettermen. The squad worked ten days before their first game with Ritenour. This game proved a very difficult opening game for the Pirates. Ritenour scored first and never was in danger of losing thereafter. The game ended with Ritenour winning, 25-0.

The Wellston Trojans were the hosts for the Pirates the next week and were a little rough on passes. The home team scored in every quarter, three of them on passes. St. Charles could not get its attack going and was shut out for the second straight week, 25-0.

The Pirates packed their bags the next week and journeyed to Hannibal. When Litteken stole the ball in the second quarter and ran 40 yards for a score it seemed that we might gain our first victory. But in the second half, after McCoy had been injured, Hannibal scored three times and walked off the field with a 19-7 victory.

After enjoying an open date, the Pirates took the field against Brentwood on October 14. The visitors scored both times on passes, but were unable to make the extra points. In the second quarter Hartwig passed to Morgan for our only score. Travis made the extra point. Final score was: Brentwood 12, St. Charles 7.

Our homecoming game with Ferguson was played in inclement weather. Rain fell throughout the day, making the field very difficult to

play on. St. Charles took the opening kick-off and worked straight down the field for a touchdown. Heck plunged the final four yards. This was the only score and the Pirates gained their first victory, 6-0.

The next Friday saw our team at Madison, Illinois, seeking their second victory. Madison scored the first touchdown. With a little more than three minutes remaining in the game, Hartwig scored. But we were still behind, 7-6. Then the Pirates gave a final effort with Bohrer scoring, making the score 13-7, St. Charles.

St. Charles took the road the next week against Principia. The Cadets scored the first touchdown and went on to score three more. St. Charles' lone marker was a two-yard plunge by Hartwig. Final: Principia 26, St. Charles 6.

Our final game of the season was with the strong Maplewood Leafs. Sparked by All-District "Binkie" Broeder, Maplewood took a 38-0 rout of the Pirates. Although the score was big, St. Charles showed plenty of punch and played aggressive ball.

Hartwig and McCoy were chosen by squad members as Co-Captains for the 1950 season.

They played four times and compiled a record of one win, two losses, and one tie. They defeated Chaminade 14-0, lost to Webster 19-6, and Maplewood 12-7. They finished with a 0-0 tie with Ritenour.

Varsity Basketball

Although we did not have a victorious season, it was a thrill to watch a team that always worked hard and improved as much as our team did. The Varsity lasted five successive games before winning its first contest against Berkeley, 47-30, and made it two in a row, being victorious over Maplewood, 38-36. After being defeated by Ritenour the team came back strong, losing a 2-point heartbreaker to mighty Kirkwood, 35-33. The next three defeats came at the hands of Clayton, Normandy, and Prin-

cipia. Ritenour broke our string of defeats as we handed them a 46-40 loss in the Webster Groves Tournament. An upset over Webster was our next win after a four-game losing streak to Normandy, Brentwood, University City, and Wellston. Our season ended with two more to Ferguson and DeSoto in the sub-regional tournament.

Joe Shatro was outstanding throughout the year. He was chosen captain of the Varsity squad in addition to being a leading scorer.

Second Row: Roth, Steigemeier, Wahlbrink, Baue, Dougherty, Kallash, Wilkins, Thornhill, Coach Boto.

Our "B" Team was coached this year by Coach Boto. He did a very fine job of training his boys for the Varsity Team. The season's record of four victories and thirteen defeats is not very impressive, but many of those defeats were very close games. The high scorer for the "B" Team this year was Bob Wilkins with 141 points, closely followed by Eddie Travis with 132 points. Other good prospects for the Varsity next year are Marion Hall and Sonny Kallash, besides Wilkins and Travis. Whenever our "B" team took the floor the spectators were sure of an exciting game.

Botkins, Tom Cox, Paul Senden, Jim Hoelscher, and Don Kolkmeier.

The schedule this year was as follows:

with a ball in her honor.

Attired in a white satin and net formal, and carrying a bouquet of red roses, Joan walked to the throne to be crowned by the retiring Queen, Miss Mae Blossom Algermissen.

In the Queen's court were Jerry Kottmann, Senior; Birdie Lou Button, Junior; Sylvia Foster, Sophomore; and Nola Lloyd, Freshman.

Dear Carter -

It's really been a lot of fun having you in Eng. and you sure livened the class up. Remember over at the Candlelight after the May Fete. Good luck to you.

The Queen of Love and Beauty

MISS "PAT" HEATH

was chosen by the Senior Class to reign over the May Fete in the year 1950. Jackie Wilkie, the retiring queen, crowned "Pat" as she knelt before a flower-bedecked throne. When she ascended the throne and smiled at her subjects, all knew that, under her reign, social tranquility would prevail. The Queen's attendants were Ann Connoyer, Mary Ellen Kneemiller, Seniors; Nancy Van Cleve, Juanita Monroe, Juniors; Betty Gardner, Roberta Kruel, Sophomores; Joyce Diehr, Nancy Simon, Freshmen.

Back Row: Mr. Jones, Mr. Duello, Mr. Pohlmann.
Front Row: Mr. Usry, Mr. Pickering, Mr. Wendt.

Just as deckswabs are essential to keep the vessel in ship-shape order, so our maintenance men are essential to keep the school in tip-top condition.

These six men have, indeed, done their share to make our school life happy and enjoyable. For such things as opening the doors for us in the morning and sometimes at night, too, or having a friendly smile for us when everything else was going wrong, we express our sincere appreciation and say "Thank you."

Our Treasure

THE MEMORIES OF OUR 1950 SCHOOL YEAR

In this Charlemo we have tried to record all the things you'll want to remember about the 1949-1950 school year; namely, the teachers, students, organizations, sports, and social events. As was expressed by A. Strickland in "Illusions," very few people live in the future or present, but most of them live in the past with their memories. As we grow older, may this volume serve its purpose, to keep the dearest happenings of this year fresh in our minds. The most valuable treasure we can ever have is a past of happy memories.

ODE TO A BORROWER

I think that I shall never see,
The dollar that I loaned to thee;
A dollar that I could have spent,
For varied forms of merriment.
The one I loaned to you so gladly,
The one that I now need so badly,
For whose return I had great hope,
Just like an optimistic dope;
For dollars loaned to folks like thee,
Are not returned to fools like me.

Joe Folks' idea saved 574 eyes!

Joe Folks is a man you should know. Joe is a grinder in A. C. F.'s St. Louis Foundry.

One day, just about 2 years ago, a jagged chip of steel ripped itself from a whirring wheel, and tore straight at Joe's left eye.

He had no time to duck. No time to even blink. It happened split second fast!

If Joe hadn't been wearing his safety goggles, he'd have lost his eye sure . . . lost his priceless sight.

It was close. So close it started Joe thinking . . .

The Army Air Force started a Caterpillar Club for men who had saved their lives by using a parachute. Why not a special club for men who had saved their eyes by wearing safety goggles?

So Joe wrote to his boss, explaining his idea.

The management of A. C. F. went for the idea at first sight. Joe's club was given a name—the Wise Owl Club—and silver pins, showing an owl wearing goggles, were designed for members. It was an overnight success!

• • • • •

Soon, other companies heard of the A. C. F. Wise Owl Club—the club Joe Folks started.

Its fame quickly spread to 93 plants in 22 states. Already 604 employees, whose vision has been saved by eye-protection devices, have qualified as Wise Owl Club members. Total employee enrollment in the 93 plants is 133,469. Most important, the saving in human suffering and misery, not to mention medical and other costs, is incalculable.

Today, the Wise Owl Club is sponsored from coast-to-coast by the National Society for the Prevention of Blindness, 1790 Broadway, New York 19, N. Y. The society welcomes inquiries regarding establishment of local chapters in plants and vocational schools throughout the country.

We, at A. C. F. are happy to tell you this story—and proud of our part in the success of The Wise Owl Club. It is another example of the teamwork that is so essential between the men who sign the paychecks, and the men who receive them—all working together for the welfare of all.

Dear Carter,

Here's to one of the best seniors I have ever known. You rank at the top of the class in my opinion. Although you didn't receive all the awards and that you still deserved more awards than you received. Your athletic ability cannot be questioned as you ranked high on the football and track teams.

You have one of the better personalities of the class and have added color to our school. Congratulations to your being elected track captain. You richly deserved the honor.

Remember our Spanish class and our beloved teacher Miss Petty. Remember this year's track squad because many of the boys set you as their goal and you were the most popular with all the boys. Keep on working hard at college and I'll see you this summer.

Don.

Dear Carter,

I told you when I wrote this that it was going to be the truth, so here goes. You know, I think you are quite a fascinating person with your sense of humor and pleasing personality, not to mention your athletic ability. That invitation to Mizgou is still standing so maybe you'll pay me a visit within the next four years. I'm going to wish you lots of luck, though I don't know whether you'll need it. I'm going to miss you, really I am. I'll be seeing you this summer, I guess. Have a nice vacation. I know you will.

Best wishes
Smitty

Dearest Carter,

Wishes Wishing lots of luck to a swell
guy. I'll always remember the swell times we
have had in trout up at Columbia. I wish
you lots of luck playing football. Make whatever
College you go to proud of you. Don't forget
all the fun we have had out at Sandenswood. You're
a great guy and truly one of my best friends. I
hope to see you around this summer.
